The Chatham-Kent Cyclones AAA Hockey Association (Chatham-Kent Cyclones) is pleased to announce the introduction of a scholarship program for past players entering their first year of college or university.

The Chatham-Kent Cyclones was first established in 1993 with a mission of providing youth an opportunity to play competitive hockey at the highest level possible within the community. As we continue with our program we would also like to recognize and reward dedication not only in hockey but in education. We are pleased to continue with our Chatham-Kent Cyclones Scholarship Program in 2024.

The Chatham-Kent Cyclones will award a scholarship to a former Cyclones player who has displayed an incredible amount of commitment both in hockey and in the classroom. The scholarship recipients are determined on the basis of academic achievements, hockey involvement and community involvement.
